

VOLUNTEER MONTH SCHEDULE & E-PASSPORT

Time: 10am-1pm

Location: Outdoors, GCC Main Central Mall

How the E-Passport works:

Every time you participate and complete a volunteer project, you can scan a unique QR code (or url), which will be present at each event, to fill out a short survey which serves as an e-passport 'stamp'. There are some exciting prizes, so the more you volunteer (and complete the e-passport) the more chances you have to win!

Students: If you are a GCC student, each time you participate and fill out the e-passport 'stamp', you will be entered to win random prize drawings throughout the month of April. Remember, the more you participate in the mini-volunteer projects, the more likely you are to win a prize!

Prizes include: A brand new ipad, Apple airpods, mini-movie projector, GCC water bottles and more!

Faculty or Staff: If you are faculty or staff, please complete the e-passport 'stamp' to capture your attendance so we can recognize your participation and we encourage you to offer extra credit to your students if applicable.

Extra Credit: If you are a student receiving extra credit for participation, the e-passport will also serve as the location to include the name of the instructor and course you are receiving extra credit for. This information will then be provided to your instructor.
