

## Getting To Know eGCC’s Program Menu:

Programs contained on eGCC’s program menu are categorized alphabetically below. Programs are listed in the first column. The second column lists the location (menu item) of the program. Because your tools are tailored to meet your coursework needs, you may not see or have access to all programs reflected in this document.

The table above can be used to jump to a desired section, hold down the control (Ctrl) key or the Apple key on a Mac on your computer’s keyboard and click the desired program set.
