<i>Names of Group Members</i>	<i>Phone Number/E-mail</i>
-----	-----
-----	-----
-----	-----

**Each person** should know the following information about the method. You will be individually graded but the group that wins gets 3 extra credit points.

**YOU MAY NOT USE NOTES DURING THE GAME**

- Name of the contraceptive method
- How the method works, how it is obtained, how it is used, who uses it and effectiveness rates (theoretical and user)
- Any specific characteristics of people who shouldn't use this method
- Who is an "ideal" candidate for this method?
- Short and long term health consequences of this method (be very specific)
- Approximate cost of the method in Phoenix
- Use of the method in other countries around the world
- Other miscellaneous information that might be of interest to others in class

**Evaluation Criteria:**

- Accuracy of information presented
- Depth/detail of information presented
- Ability to answer group/instructor questions about the method

**Grading Criteria:**

1. If you do well, you get a "10"
2. If you have most of the information correct, but some incorrect information you get an "8"
3. If you have a lot of misinformation, or can't answer questions you get 6 or less.
