

Information Concerning Medical Emergencies

The Glendale Fire Department responds to medical emergencies at Glendale Community College. The closest Fire Department Unit to the college is located at 9658 N. 59th Avenue in Glendale, Arizona.

You can notify the Fire Department directly by dialing 911 or 623.931.5600 when there is a need for immediate medical attention. Notify College Safety at 53535 immediately after the call.

The Fire Department medical team will respond to our general address of 6000 W. Olive Avenue. Upon arriving, they will ask to be taken to the specific building and room containing the sick/injured person. Therefore, it is important to notify College Safety so they can assist in guiding the responding Fire Department medical team to the exact location of the emergency.
