

CERTIFICATE OF COMPLETION (CCL)
GCC ADVISEMENT CHECK SHEET 2014-2015

The Certificate of Completion (CCL) in Automotive Engine and Drive Trains program is designed to provide students with skills needed by technicians specialized in the maintenance and repair of automotive engines and drive trains. This course grouping also helps prepare the student for the Automotive Service Excellence (ASE) certification tests for engine repair, automatic transmissions and transaxles, and manual drive train and axles.

Students are responsible for proper selection of courses and admission to University and professional programs.

Automotive Engine and Drive Trains			
Name	SID	15 Credits	Major code: 5451
		Effective Term: 2001 Fall	
Program Notes:			
Students must earn a grade of C or better for all courses required within the program.			
II. REQUIRED COURSES (15 Credits)		CRS	GR
AUT101AA	Internal Combustion Engines Theory	3	
AUT106AA	Engine Overhaul and Reconditioning	4	
AUT110AC	Automotive Power Trains	4	
AUT123AA	Automatic Transmissions	4
