Maricopa County Community College District Policy
Students with Disabilities

Eligibility for Accommodations & Required Disability Documentation

For Additional information visit the District’s Online Policy Manual:

• Students must be admitted or enrolled as an MCCCD student.

• The Disability Resources & Services (DRS) Office will review qualifying documentation that verifies the nature and extent of the disability.

• Determination of reasonable accommodations is based on the Specific Eligibility Requirements of MCCCD and the interactive exchange between the student, DRS office and instructors.

• Requests for services are considered on an individual, case-by-case basis.

• DRS may exercise its right to require additional documentation.

• MCCCD is not required to provide “best” or “most desired” accommodations but rather a reasonable accommodation sufficient to meet accessibility needs.

• Diagnosis of specific learning disabilities that do not contain psycho-educational measures may not be sufficient for determining eligibility for academic accommodations.

• School plans, such as individualized education plans (IEP) or 504 plans, may not be sufficient documentation.

• DRS reserves the right to request reassessment when questions arise regarding previous assessment or previous service provision.

• Students not enrolled in GCC for two consecutive semesters will be considered inactive from GCC DRS. If a student re-enrolls in classes and requests accommodations, DRS may request further documentation or updated medical reports in order to best meet student needs.
