

How to Use **maricopa.edready.org** for Placement

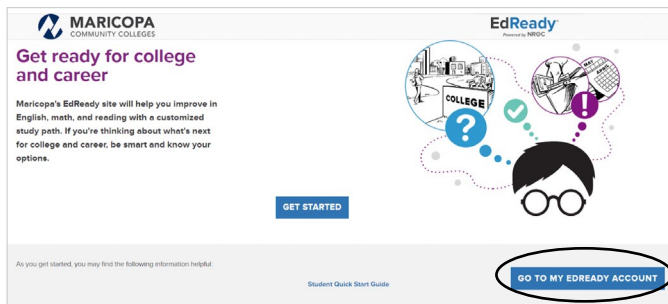

These instructions will help you access the EdReady placement assessments. Be sure to have the following items handy before you begin:

1. Your MEID
2. Your Maricopa password

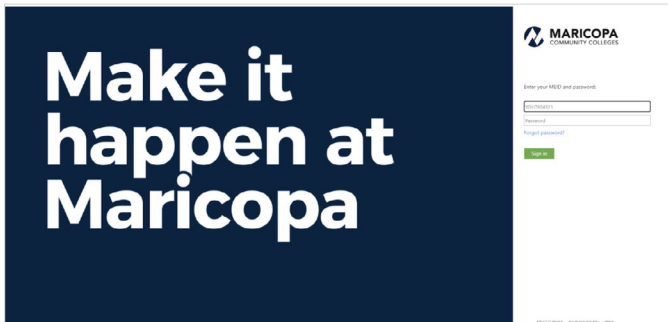

To learn more about using EdReady, view the EdReady [Navigation video](#).

Getting Started

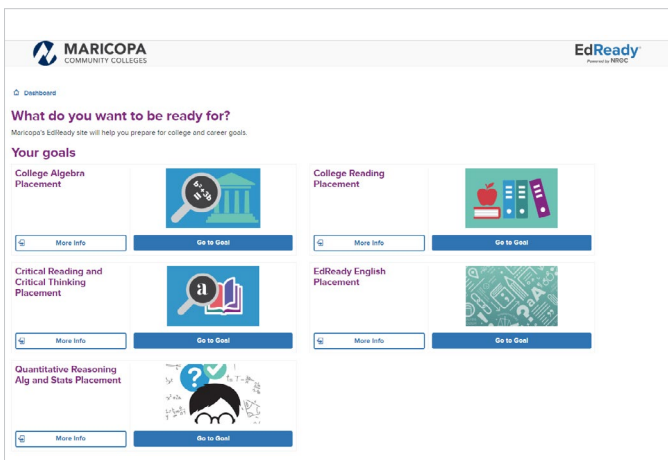

Go to <https://maricopa.edready.org/home> and click on **Go to My EdReady account**.

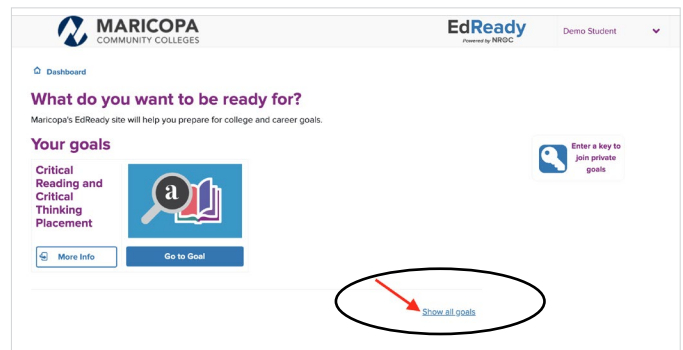

You will be redirected to a Maricopa login page where you can enter your MEID@maricopa.edu and password.

Make sure to approve your login with Duo. Once logged in, you will see the available placement assessments, as shown below.

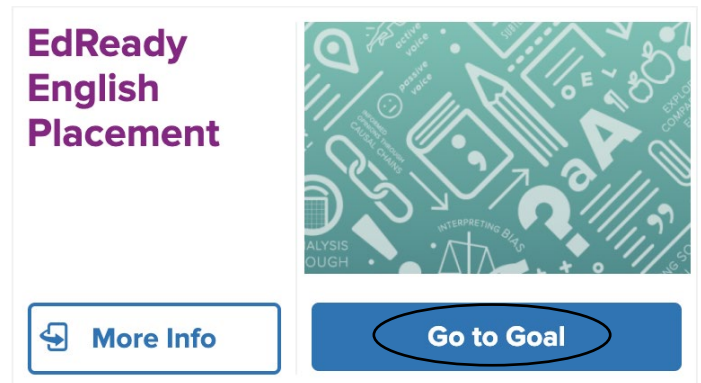

If you don't see the goals above on your homepage, please choose "Show All Goals".

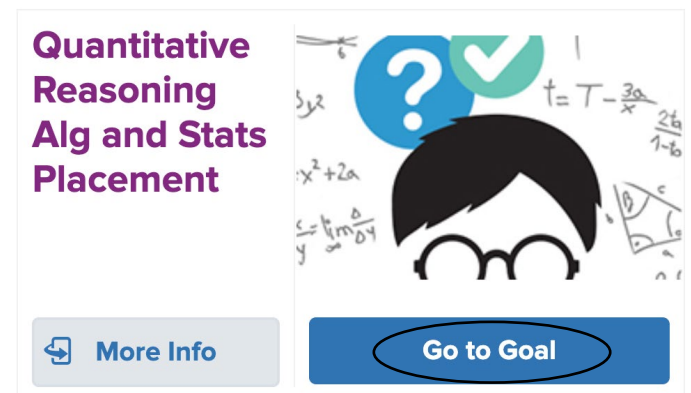

Choosing Your Goal

To place into **ENG 101**, choose **EdReady English Placement** by clicking the blue **Go to Goal** button. **Minimum score 80 or higher.**

To place into **MAT 142** or **PHY101** choose **Quantitative Reasoning Alg Stats Placement** by clicking the blue **Go to Goal** button. **Minimum score 70 or higher.**

To place into **MAT 152, MAT188*, MAT206*, MAT212*, MAT 221* or PHY111*** choose **College Algebra** Placement by clicking the blue Go to Goal button. ***Minimum score 80 or higher.**

College Algebra Placement

More Info

Go to Goal

- *Courses require additional placement criteria:**
- *MAT188, MAT206 & MAT212 require** EdReady College Algebra 80 or higher **WITH** documentation of one of the following: ACT Math 24 or higher
OR SAT Math 560 or higher
OR Arizona Mathematics Standards – HS Algebra II
OR HS College Algebra with B or better (submit transcript)
- *MAT221 & PHY111 require** EdReady College Algebra 80 or higher **WITH** documentation of one of the following: ACT Math 28 or higher or
SAT Math 640 or higher or
HS Pre-Calc/Trig with B or better (submit transcript)

New students who are NOT taking a placement assessment listed above and who are under the age of 18 (AR.2.2.2) in grades 9-12 will be required to demonstrate college readiness for the purpose of admissions. Students unable to self-report a unweighted, High School GPA of 2.0 or greater, will take the EdReady College Reading assessment with a recommended score of 75 or higher. This policy will not impact college course placement requirements for individual college course(s).

Completing the Diagnostic

To start the diagnostic, click on the **Start test now** button, and you will be given a series of questions. It will take about one hour to complete the diagnostic.

College Math Readiness

The first step of your study path is to complete this initial diagnostic to gain an understanding of your readiness.

Answer the questions as best you can, without study aids, in order to get the most accurate picture of your current understanding.

There is no built-in calculator for EdReady. Some exams (e.g., Accuplacer) allow the use of calculators for some problems, but not others. Use your judgment (or ask your teacher) to decide whether it is appropriate to use a calculator for some or all of this initial diagnostic.

The time of completion will vary. Expect to take at least an hour.

If you need to leave before your initial diagnostic is complete, your work will automatically be saved until your next visit to EdReady.

Close

Start test now

If you don't know something, be sure to use the **Pass** button. If you aren't sure of a question and want to come back to it, use the **Hold** button. If you need to leave the diagnostic before you finish, click **Save and close**. You will be able to finish at another time.

Read the following sentence:

The phone rang and rang.

Which revision below includes a prepositional phrase?

☐ The man's cell phone rang and rang, yet he ignored it.

☐ The phone rang and rang, but there was no answer.

☐ The phone rang and rang until she gave up and ended the call.

☐ The phone rang and rang, annoying everyone around.

If you do not get the score you need, or you want to increase your score in EdReady, you can work through the study plan provided. Once you obtain the minimum score, you can now submit your Next Steps form. Make sure to follow all the deadlines.

If you are a student in need of accommodations, please contact your college DRS office.

The Maricopa County Community College District (MCCCD) is an EEO/AA institution and an equal opportunity employer of protected veterans and individuals with disabilities. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, age, or national origin. A lack of English language skills will not be a barrier to admission and participation in the career and technical education programs of the District.

The Maricopa County Community College District does not discriminate on the basis of race, color, national origin, sex, disability or age in its programs or activities. For Title IX/504 concerns, call the following number to reach the appointed coordinator: (480) 731-8499. For additional information, as well as a listing of all coordinators within the Maricopa College system, visit: www.maricopa.edu/non-discrimination.
