

new online tutoring software

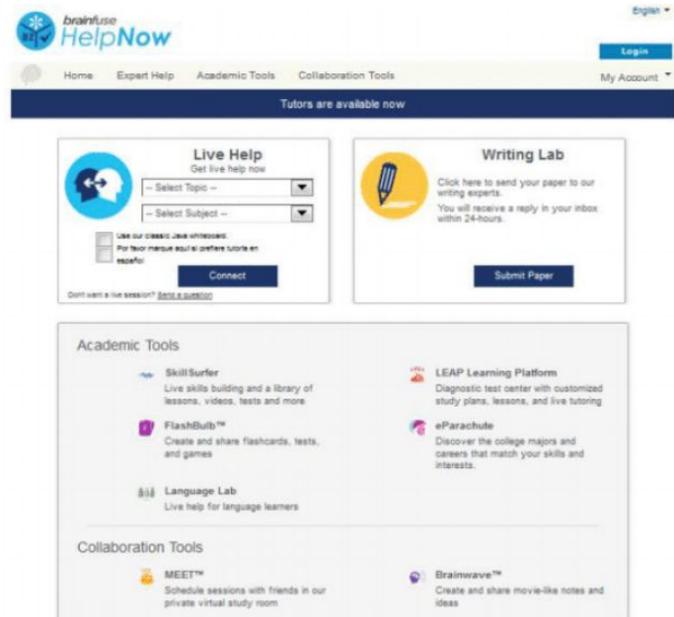

Get Free Tutoring for Your Classes!

Need help with your classes? You now have access to a new online tutoring tool called Brainfuse. Brainfuse replaces SmartThinking.

With Brainfuse, you can

- **Receive instant tutoring** and interact with a live tutor.
- **Submit your writing** to the Online Writing Lab for a review.
- **Submit a question** and receive a reply from a tutor.
- **Access personalized skills building & test prep** in college readiness, college subjects, nursing, Accuplacer, GRE, etc.
- **Create your own flashcards** and online quizzes/games to reinforce classroom learning.
- **Use eParachute** to discover your strengths and unique talents to plan your future career.
- **Form online study groups** or schedule live sessions with peers/faculty using the Meet collaborative whiteboard (audio capable).
- Record and email live tutoring sessions and video notes.
