**Tutor Application**

**Center for Learning – STEM Connect – The Math Solution – GCC North**

Please answer the following questions in the space provided or attach a sheet of paper with your responses.

1. Why are you interested in being a tutor? Why would you be an asset to the program?
2. How does being a tutor fit into your goals?
3. Describe your study skills and techniques you have used in order to succeed in your studies (i.e. how you organized your notes, prepared for exams, etc.).
4. What experience do you have tutoring other individuals? How did this experience benefit you? What would you change to make the experience more meaningful?
5. What is your understanding of how tutoring works at GCC?

## **Tutor Application**

### **Center for Learning – STEM Connect – The Math Solution – GCC North**

#### **Tutor Responsibilities:**

Tutors work with students on a drop-in, one-to-one basis or in a scheduled, small group setting. The purpose of tutoring is to reinforce learning, supplement instruction and enhance academic achievement.

Tutors must be reliable and responsible about keeping schedules, recording/signing in/out of Time and Labor, and informing the supervisors of needed changes in the schedule.

Tutors may work 1-19 hours per week as scheduled by their supervisors at rates as identified by MCCCDC hourly rates. Tutors must attend all scheduled Tutor Training Workshops throughout the semester.

#### **Qualifications:**

##### **The Math Solution**

Tutors must have completed at least College Algebra (MAT150/151) with a **3.0** or better verified by transcript in order to tutor in The Math Solution or MAT 108 programs. However, Calculus experience is preferred for tutors desiring to work in the Math Solution Tutoring Center.

##### **Center for Learning and all other tutoring throughout GCC**

Tutors must have completed the class for which they desire to tutor with a **4.0** in the subject verified by transcript. Respective faculty member may use discretion. Demonstrated knowledge of course content for subjects tutored verified by respective department.

#### **All Tutors will:**

- Maintain 3.0 Cumulative GPA while serving as tutor
- Demonstrate good verbal and written communication skills
- Fulfill a work schedule with no more than three absences per semester
- Use computer to log in/out T & L and maintain TutorTrac recordkeeping
- Establish and maintain cooperative working relationships
- Work with students at varying levels
- Maintain confidentiality about student and employee information
- Provide excellent customer service skills
- Demonstrate proactive learner and learning facilitation
- Attend required training
- Follow department guidelines, practices, and standards
- Abide by GCC and District policies

#### **Evaluations:**

Tutor supervisors may conduct an evaluation of all tutors during the semester. The evaluations may include observations of actual tutoring sessions, personal conferences with each tutor, and survey feedback from tutees.
